

Analysis Of Demat Account

[DOWNLOAD] Analysis Of Demat Account Free download

Demat refers to a dematerialized account. Just as we have to open an account with a bank if we want to save your money, make cheque payments etc, we need to open a demat account if we want to buy or sell stocks. So it is just like a bank account where actual money is replaced by shares.

However, in DEMAT accounts; we can preserve our long-term investments safely and securely. 2- Convenience: When we want to sell our dematerialized shares or redeem our debentures in DEMAT account; there are no hassles of filling up transfer forms, sending redemption requests or any other messy, costly and time-consuming paper work.
