3.0 out of 5 stars "Gramps" Boyington - BAA BAA BLACK SHEEP. Reviewed in the United States on October 30, 2014. Verified Purchase. I can rate this as only "OK". It starts out and runs through a number of chapters fairly well but about mid-book the author starts getting a little philosophical.

1/1/1977 · But overall, Boyington delivers the goods: (1) a pre-war background; (2) his work in China; (3) the Black Sheep aviators; (4) his being shot down by the Japanese; (5) his internment; and (6) after the war. Boyington, the author, treats us to the use of "tough guy" 1940-1945 words and expressions, which is refreshing, and he goes into detail on some events which could have been left out but ...
