7/4/2017 · The Expedition ELX, or often dubbed the ELX is the direct upgrade from the regular Expedition model. The noteworthy difference is the inclusion of the adjustable height handle used on the ELX. This feature allows adjustment all the way up to 46-inches, which can be useful for taller parents.

15/3/2014 · The Elx Expedition Travel System by Baby Trend is the stroller that I currently use and somewhat regret purchasing. I bought this travel system because my daughter was born during the winter; so having large tire wheels would make it so easy to trek in the snow compared to other strollers with small wheels that can get stuck in the snow or gather snow clumps in the wheels, thus making it ...
