28/12/2020 · The Chapter 7 means test, generally just called the means test, is the analysis that determines whether a person is eligible for relief under Chapter 7 of the Bankruptcy Code based on their monthly income. It’s called the bankruptcy means test because, at its most basic level, it looks at whether someone has the means to pay their debts.

The same means test that is supposed to determine whether you can file Chapter 7 bankruptcy is used to decide what you must pay to creditors in Chapter 13.. The test is not identical, but the principle is the same: use a standardized formula to calculate how much bankruptcy relief is available to this debtor.
