Hal Eyring grew up learning the rich Church and U.S. history of the area where he lived.

In a 1971 Ricks College address, President Henry B. Eyring said: Now to begin with, education is what happens inside you, not around you. . . . And what happens inside you had better not be the acquisition of facts, and you'd better be careful that it is not just the acquisition of any kind of skill, since both facts and skills have a way of growing useless at a staggering rate.
