Cochlear Ltd is an Australia-based company that provides implantable hearing solutions. The Company provides bone conduction implants for people with conductive hearing

loss, mixed hearing loss and single-sided deafness.

Keep in mind that a SWOT analysis only

covers issues that can definitely be considered a strength, weakness, opportunity or threat. Because of this, it's difficult to address uncertain or two-sided factors, such as factors

that could either be a strength or a weakness or both, with a SWOT analysis (e.g. you might have a prominent location, but the lease may

be expensive).
