In many cases curators will have a specialist subject knowledge and be an expert on the type of artwork that features within the collection. As well as organising exhibitions, the curator will also research and interpret the collection and may work alongside an education team to make sure that the work appeals to and informs

a wide range of visitors.

of information on art and life. Historically, curators have been responsible for researching and developing collections within institutions, and exhibitions have been drawn from that context. Contemporary curators create and contribute to public dialogues about ideas and art strategies that address the world in all its complexities.

Whether you are an art collector or an artist yourself, there are a myriad of issues that can surround the curation or creation of these assets. Indeed, if you are an artist, you should always be up-to-speed with the legal issues surrounding your rights, your sales, your commissioning, and your lending or consignment to private galleries and public exhibitions.

20/6/2018 · After co-curating Tate Modern's "Picasso 1932: Love, Fame, Tragedy" exhibition—which carefully parsed through the prolific artist's legendary output during a single, pivotal year—Ireson is assuming a new post, stateside, at the helm of the Barnes Foundation's curatorial team.
