OSC is based on the open-source practice of creating products or software that opens up access to source materials or codes. Applied to education, this process invites feedback and participation from developers, educators, government officials, students and parents and empowers them to exchange ideas, improve best practices and create world-class curricula.

IB French B Higher and Standard Level (OSC IB Revision Guides for the International Baccalaureate Diploma) Paperback – January 1, 2009 by Marie-Laure Delvallee (Author) 4.4 out of 5 stars 3 ratings

Peak Study Resources is the new publisher of the range previously produced as OSC IB Study & Revision Guides . The Peak books therefore feature the same great content from the authors that IB teachers and students trust. Peak branded books, with new ISBNs, will become available as supply of OSC remaining

stock reaches zero or is withdrawn.

In 2019, OSC announced it would stop publishing in order to focus on developing its IB courses in new locations around the world. The authors decided that they wanted to make sure the books were still available to IB students and schools and have come together under a new, independent publisher – Peak Study Resources.

To support schools in the transition to the new IB Standards and Practices, we are providing planner guidance direct from the IB, including how each section of the template aligns with the IB Standards and Practices. This embedded PD will keep the IB philosophy at the heart of teacher planning and collaboration at your school, driving a culture of continuous reflection and improvement.
