

Driving A Manual Car Simulator

[EBOOKS] Driving A Manual Car Simulator [FREE]

Get in and train yourself for manual car driving. Real car parking simulator is a fun game where you can be the challenging street driver in ultimate car driving with gear. Car parking & driving...

Unfortunately I don't think there's any game or simulator that can prepare you for driving a manual transmission car, at least in terms of clutch operation. I think the simulator could help with the concept of going through gearshifts but clutch control is something that honestly varies so much, especially from car to car.

SimuRide Professional edition, as its name suggests, is a driving simulation software that is designed to teach new and commercial drivers how to maneuver a vehicle with automatic and manual transmissions. The first SimuRide Professional driving simulator edition was introduced in September 2007.

Anyway, my point is that if you learn to drive in the UK, you learn to drive with a manual gearbox. The most daunting thing about learning to drive is learning to use the gearbox and the clutch, so I think that this simulator is an excellent idea, although it would only act as a confidence builder prior to doing it in a real car.
