Online Library Enduring Vision 7th Edition continues to promote an idea of ‘the West and the rest’ in relation to questions of production, distribution, reception and representation within an artistic medium (cinema) that, as part of contemporary moving image culture, is more globalized and diversified than at any time in its history.

THE ENDURING VISION, Concise Edition, delivers an engaging narrative that integrates political, social, and cultural history within a chronological framework. Known for its focus on the environment and the land, this resource is also praised for its innovative coverage of cultural history, public health and medicine, and the West -- including Native American history.
