About **English Passengers**.

In 1857 when Captain Illiam Quillian Kewley and his band of rum smugglers from the Isle of Man have most of

their contraband confiscated by British Customs, they are forced to put their ship up for charter. The only takers are two eccentric Englishmen who want to embark for the other side of the globe.

embodies a refreshing approach to historical fiction and an exquisite challenge to both readers and writers. A fictionalized tale of the British colonials in the 19th century, **English Passengers** emanates from two different locations --- a sailing ship bound for Tasmania and the

island of Tasmania itself.

Told by various characters  
in letter, journal entries, and  
eyewitness accounts;

**English Passengers** sees the  
genocide of these people  
from many different  
viewpoints like those of  
racial supremacists, religious

do-gooders, Manx sailors,  
and Peevay, the man who  
shows the reader what his  
people have lost.

Passengers is a 2016  
American science-fiction

romance film directed by Morten Tyldum and written by Jon Spaihts, partially based on the 1950s EC Comics story "50 Girls 50". The film stars Jennifer Lawrence and Chris Pratt, with Michael Sheen and Laurence Fishburne in supporting roles. The plot

depicts two people who are awakened 90 years too early from an induced hibernation on a spaceship ...

Based on historical facts, **English Passengers** is an epic tale, packed with swashbuckling adventure, humor, and memorable

characters. Matthew Kneale renders the prejudices and follies of the Imperialist Age with dead-on accuracy and captures—through the voice and destiny of Peevay and his tribesmen—the irreversible tragedies it wrought.
