Student Progress Tracker worksheet

2/2/2019 · Before I dive into the actual activities you can use to monitor ESL student progress, I would like to go over Bloom's Taxonomy – the pyramid that guides the instruction of every teacher. It is structured in a way that the bottom is the lower level order thinking skills (LOTS) – remembering, comprehension – to higher order thinking skills (HOTS) – analysis, evaluation.

If a student has a hard time, they can look back at their progress sheet and compare their skills from that time to their current ability. Tracking progress is one of the best motivational tools available to students and teachers. [5 Methods for Helping ESL Students Stay Informed of Progress](#)
