CONGRATULATIONS on the purchase of your Exmark Mower. This product has been carefully designed and manufactured to give you a maximum amount of dependability and years of trouble-free operation. This manual contains operating, maintenance, adjustment, and safety instructions for your Exmark ...

I have an Exmark walk behind commercial mower, 36", Metro, model M3613KA. The machine is 8 yrs old. Its belt driven with standard pistol grips. When I endeavor to turn to the right by squeezing the drive lever, the right wheel locks up on me, causing it to skid. The owner's manual does not explain how to adjust this. Can you provide some advice?

Safety Operation WARNING Operating engine parts, especially the muffler, become extremely hot. Severe burns can occur on contact and debris, such as

leaves, grass, brush, etc. can catch fire.
