Ann Budd's clear
explanations and the

photographs took the mystery out of sock knitting, which scared the crap out of me before I did it. Budd starts out with the most basic of socks, arranged according to your gauge (ex., 6 stitches per inch), and walking through all of the

steps necessary.

Another title I turn to consistently is Ann Budd's "Getting Started Knitting Socks" -- especially when I'm ready to break out the double-pointed needles and cast a new project on. From start to finish, Budd's easy-to-follow explanations are with me every step along the

way to creating beautiful
and wearable socks.
