16/2/2021 · Brianna Karp became homeless, like an increasing number of other people as the recession continues. The Girl's Guide to Homelessness is her story of a year spent living in a WalMart parking lot, using free wireless Internet at Starbucks, purchasing cheap gym memberships for showers, looking for work and blogging.

The blog eventually turned into the book, The Girls Guide to Homelessness. In this interview, she talks about life after the book. Brianna Karp is the author of the well-publicized book, The Girl's Guide to Homelessness. The book was born out of homelessness, first as a blog, on a laptop from a trailer parked in a department store lot.

One of the reasons I look at a diabetes diagnosis as tragic is that it's going to immediately prod at and expose all your weaknesses. You'll suffer more than another person who lacks as much discipline as you, who also doesn't have supportive family or friends, and you'll particularly suffer if you are short on agency (and many of us raised in the last 30 years are, in my opinion).
