I will end this section detailing lesson plans appropriate for the narrative section. These plans, as stated earlier, should serve as a guide for lessons in the descriptive and expository writing sections. Note: In the introductory lesson, the idea of the "mystery man" in the handwriting samples should be developed.

Anna Koren, a world expert in graphology, compared handwriting analysis to taking an x-ray scan of the brain. Expert graphologist, who examines a sample of handwriting, can identify many patterns and features that will help him to analyze and gather information about the writer of the text. Graphology is definitely not a new science.
