Ice Cracker II is a collection of three short vignettes taken from the world of Buroker's novel, *The Emperor's Edge*. I really enjoyed these shorts. Buroker has a smooth writing style, the dialogue between her characters is realistic and snappy, and offers just enough detail to paint a picture of the world without drowning her readers in it.

Unfortunately, they'll have to pursue and conquer great threats to earn the emperor's recognition. Three short fantasy stories set in the author's "Emperor's Edge" universe. *Ice Cracker II* -- When wanted criminals Sicarius and Amaranthe unearth a plot against the military's premier ice breaking ship, they may be the only ones who can thwart the

saboteurs...if the soldiers don't kill them first.
