A May 2018 Americas' SAP Users' Group (ASUG) survey revealed a substantial disparity between executives and IT/security professionals and their level of concern about internal security. Executives had far less concern than the employees in IT or security roles, most likely because they lack visibility into the day-to-day frontline IT and security work.

4/2/2020 · Recent surveys from both the Americas' SAP Users' Group (ASUG) and the German-Speaking User Group (DSAG) show a significant growth in investments from customers in SAP S/4HANA. DSAG reports that over 49 percent of customers plan to migrate to SAP S/4HANA within the next three years while the ASUG report shows that the number of customers who have no plans of moving to SAP ...

29/2/2008 · ASUG.COM (Americas SAP Users Group) has an ongoing discussion forum thread titled: "Security Influence Council" Multiple posters from well known companies discuss their wish lists for improvements in security management. I'll paraphrase their ideas as best I can, shrouding their identities.
