Here is the first book to examine direct selling--the distribution of consumer products and services through personal, face-to-face sales away from fixed business locations. Direct selling has long been a major marketing channel for companies around the world.

The answers suggest that a marketing channel strategy entails three stages: (1) analyzing and designing, (2) benchmarking, and (3) implementation or management. Parts II–IV addresses each of these stages in turn. In particular, Part II, *Designing Channel Strategies*, comprises four chapters that describe how to align the needs of upstream and downstream members of the channel to enable all the ...
