The other class of flower-girls is composed of the girls who, wholly or partially, depend upon the sale of flowers for their own support or as an assistance to their parents. Some of them are the children of street-sellers, some are orphans, and some are the daughters of mechanics who are out of employment, and who prefer any course rather than an application to the parish.

1/1/2012 · Workhouse Schools for the Poor. By 1839 almost half of the population of workhouses were made up of children. Some of these children were orphaned but others entered with their parents and although families were split up upon entering the workhouse, if the child was under seven it would probably stay alongside its mother.

24/2/2008 · After the war, it became a school, an orphanage and then a children's home housing up to 60 boys and girls with special needs, before closing around 20 years ago. Senator Stuart Syvret: Has spoken ...

19/3/2021 · SIR – There is an irony to Labour losing its core “working-class” vote in the Hartlepool by-election. The party was created to defend the rights of workers against the elite ruling class but has evolved to become the party of and for that class, now made up of (among others) university-educated metropolitans, the judiciary, education institutions, the Civil Service and the BBC.
