The Regency versus The Victorian Every so often I get mail or reviews that comment on what my characters get up to in my Regency-set erotic romances. Usually the comments suggest that no one in the Regency period would know about any erotic sexual practices, that it just wasn't done. Well, um, that just ain't so. And I totally blame Queen ...

Ten women to every man, a black market in Viagra, and a 'thriving swingers scene': Welcome to The Villages, Florida, where the elderly residents down Sex on the Square cocktail in 'honor' of woman ...

Caution: This book contains one devilish, seemingly irredeemable rogue, an on-the-shelf wallflower who dabbles in wicked wagers, an unexpected and most enticing swim in a lake, a villainess you'll want to shove into said lake, and a cast of captivating secondary characters with their own tantalizing romantic tales.

Seven ready-to-play adventure modules that take your characters from 1st level to 7th level and beyond: Rats in the Walls and Other Perils (character levels 1-2), The Anthropophagi of Xambaala (levels 1-3), Ghost Ship of the Desert Dunes (2-4), The Beasts of Kraggoth Manor (4-6), Forgotten Fane of the Coiled Goddess (5-7), The Lost Treasure of Atlantis (6-8), The Sea-Wolf's Daughter (7-9)

1/2/2016 · This level of authenticity became especially important in terms of locations, and businesses, and roads, and other things that change over time. Things like bus routes, restaurants, and road construction come and go, neighborhoods are built where landfills used to be, and buildings change their names when ownership changes.

This unique formalistic approach to traditional tales makes for an especially varied and successful read-aloud experience. While the "Tale of Tales" is the one story that is never revealed, readers can have a good time choosing which one of the collection they think is the best. A handsome book that is perfect for bedtime or circle time. (6 and up)

The mangrove pitta (*Pitta megarhyncha*) is a species of passerine bird in the family Pittidae native to the eastern Indian subcontinent and the westernmost parts of Southeast Asia. In general, pittas are reclusive birds and difficult to observe, but this species is easier than most, calling from high in mangrove trees, and responding readily to recordings of its voice.
