LLB >. Distance learning. With a Bachelor of Laws (LLB) degree, you can practice law in most of the world's countries. Some of the LLB academic programs focus on specific

sectors of law according to student interests, such as international, criminal and business law. A Master of Arts or Master of Science

degree is a graduate-level course of study ...

Our flexible approach offers you a range of study options: Flexible: You can study by

distance, online and flexible learning, which allows you to combine your studies with work or other commitments. Online: In addition to our programmes the University of London

offers a range of free online taster courses and Massive Open Online Courses (MOOCs).

Distance or online learning is a mode of study

that allows students to study most or all of a course without attending at a campus-based institution. Distance can refer to both material and interaction. Distance learning provides

access to learning when the source of information and the learners are separated by time and distance, or both.

The LLM must be completed within a minimum of two years, and a maximum of four years. You must complete at least 45 credits (between one and three modules) of

study a year. Between five and nine elective modules. At least one 10,000 to 12,000-word dissertation.

The LLM must be completed within a minimum of two years, and a maximum of four years. You must complete at least 45 credits (between one and three modules) of

study a year. Between five and nine elective modules. At least one 10,000 to 12,000-word dissertation.

You will attend the same seminars as LLB (Hons) Law (full-time) students and gain the same skills, but the timetabling of your classes and the overall duration of the programme are

flexible to meet your needs. With flexible study you have the choice of studying for four, five or six years.

10/5/2021 · Graduates of our online distance learning programmes progress to a range of careers in Law and related legal fields, including work in local and international

firms, government legal departments, other public institutions, international organisations and in academia. The programmes are also an

ideal platform for advanced research.

Studying can be for professional or personal development, or can be a way to see if study

suits their personal needs before committing to a whole degree. Explore individual units for study. Fast-track study. While students normally study four units each semester, we

do allow our students to study five, which lets them complete their course faster.

Apply. This online LLB Law degree from

Robert Gordon University is designed for those who wish to obtain an LLB but are unable to attend an on-campus course. This unique degree is designed to provide you with

key knowledge across all main areas of Scots Law including commercial, property, criminal, family and law of contract.

Distance learning. Study online, around your own schedule, wherever you are in the world. On campus in London. Study on campus in London and the South East with one of our
