War In American Memory David  
W Blight**

# [EPUB] Race And Reunion The Civil War In American Memory David W Blight

No historical event has left as deep an imprint on America's collective memory as the Civil War. In the war's aftermath, Americans had to embrace and cast off a traumatic past. David Blight explores the perilous path of remembering and forgetting, and reveals its tragic costs to race relations and America's national reunion.

1/3/2002 · No historical event has left as deep an imprint on America's collective memory as the Civil War. In the war's aftermath, Americans had to embrace and cast off a traumatic past. David Blight explores the perilous path of remembering and forgetting, and reveals its tragic costs

to race relations and America's national reunion.

**Race and Reunion: The Civil War in American Memory** is a 2001 book by the American historian David W. Blight. The book was awarded the Frederick Douglass Prize for the best book on slavery of 2001. Content

In his historical non-fiction book **Race and Reunion: The Civil War in American Memory** (2001), American historian and author David W. Blight argues that in the four decades following the Civil War, the dominant narrative that emerged of the war was not one of fighting to

end the horrors of slavery and to ensure freedom for all Americans.

David W. Blight "What Will Peace Among the Whites Bring?":  
Reunion and Race in the Struggle Over the Memory of the Civil War in  
American Culture "It's gonna hurt now, anything dead coming back to  
life hurts."? Amy Denver to Sethe, while helping deliver Sethe's baby,  
somewhere along the Ohio River, during the 1850s, in Toni Morrison's  
Beloved, 1987.

Race and Reunion is a history of how the unity of white America was

purchased through the increasing segregation of black and white memory of the Civil War. Blight delves deeply into the shifting meanings of death and sacrifice, Reconstruction, the romanticized South of literature, soldiers' reminiscences of battle, the idea of the Lost Cause, and the ritual of Memorial Day.

David W. Blight has written a monumental study about the central place of memory in American life. While *Race and Reunion* specifically deals with the end of the Civil War to 1913 (the fiftieth reunion of Gettysburg), it is a powerful reminder that how we think about our past

defines our present and shapes our future. Blight's book is a necessary antidote for the easy nostalgia that too many ...
