8/4/2002 · AN ADAPTIVE five-speed automatic transmission is standard equipment on the Rover 75 Connoisseur, optional on the

75 Club sedan. Unlike most of the 75's prestige sedan rivals, there is no sequential manual shifting function, but there are three shift programs: Normal, Sport or Winter mode.

My love affair with the Rover 75 started about 8 years ago when I bought a Rover 75 Connoisseur CDT

in British Racing Green.  
Every time I sat in it I knew  
it was the marque for me,  
retro style, walnut dash,  
very comfortable leather  
seats, a lot of the bells and  
whistles, economical for  
such a large car and I had  
the urge to look back at it

every time I parked it.

The Rover 75 is a British-built car to be proud of. Currently riding on a wave of goodwill, the 75 is a car that can be bought with head as well as the heart. If you want a car that's refined, sophisticated and which has more of a presence and sense of occasion than any

of its rivals, take a look at a  
Rover 75.
