Darrel Ray's *Sex and God* tries to answer these questions and many more. This book, which ventures into areas that have been left undiscovered for centuries, will stun you with

how greatly religion influences your sexuality,
who you choose to marry, how you approach
your sex life and many other facets of your

complex personality.

What is the impact of religion on human sexuality. This book explores this and more. It

ventures into territory that has never been examined. You will be surprised at how much religion has influenced your sexuality, who you marry, the pleasure you get or don't get

from sex and what you can do about it.

--Christopher Ryan, Ph.D., co-author of *Sex at Dawn: The Prehistoric Origins of Modern*

Sexuality "When it comes to hurtful hypocrisy, it appears that religion and sex may well take the cake. How appropriate therefore - and how courageous - that Darrel Ray has written Sex

and God , a powerful debunking of one of the deepest yet rarely examined mythic connections of all time.

Darrel Wayne Ray is an American organizational psychologist and author who focuses on topics such as workplace organizational culture, secular sexuality, and

the treatment of religion-induced trauma. He is a public speaker, podcaster, and atheist activist, and founded the non-profit organization Recovering from Religion as well

as the Secular Therapy Project.
