The divided self : an existential study in sanity and madness. [R D Laing] -- Dr Laing's first purpose is to make madness & the process of going mad comprehensible. In this he succeeds, but he does more: through a vision of sanity & madness as 'degrees of conjunction & ...

3/9/2018 · Using case studies of patients he had worked with, psychiatrist R. D. Laing argued that psychosis is not a medical condition but an outcome of the 'divided self', or the tension between the two personas within us: one our authentic, private identity, and the other the false, 'sane' self that we present to the world. Copyright: 2010 Book Details

His groundbreaking exploration of the nature of madness, R.D. Laing's *The Divided Self* illuminated the nature mental illness, making the mysteries of the mind comprehensible to a lay audience. This Penguin Modern Classics edition includes an introduction by Professor Anthony S. David.
