Magic books are our favorite thing about magic. We believe magic books are the best way to learn magic, for many reasons. Most of you which you'll know. When you have to

read the text and imagine what is happening, it leads to you creating your own way of doing something, rather than just aping something on a video. The time invested in learning from a book will pay off in spades.

27/6/2019 · The magic tube is as much a craft project as it is a magic trick. This is a particularly good trick for kids since it uses ordinary household materials. The magician shows his audience an empty tube and then magically produces items such as ribbons or silk handkerchiefs from within the tube.
