24/4/2015 · Rebekah Scott's novel, "A Moorish Whore" took me back to the 11 th century of Medieval Spain. The main character, Zaida bint Mu'tamid, is a princess of Moorish Seville who was carried off by Alphonzo the I, King of Castille and Leon, as a prize of war.

28/5/2012 · Rebekah Scott's debut novel transports you to a place and

time not well known. Her vivid descriptive passages bring forth visions of life nearly a thousand years ago. The clash between cultures and religions, the story of duty, faith and love, in the midst of treachery and ignorance, the amazing attention to detail, all come together to make a fascinating story that begs to be made into a movie.

The Moorish whore es el testimonio de una narradora desengañada, digna y sin rencores que, sintiendo la proximidad del fin, decanta su amor por la vida y su verdad. Rebekah Scott da letra a esa voz que ha

yacido emparedada durante casi un milenio en una fortaleza acalladora.

16/7/2019 · Her story is true: Zaida was the Moorish wife of Alfonso VI, the king who established the Camino Frances as we know it, a thousand years ago. History says very little about Zaida, which leaves

plenty of room for imagination -- especially when the writer lives along the Camino, and Zaida's story unfolds along the Via de la Plata and in Sahagun!

A Novel by Rebekah Scott Plucked as a prize of war from the palace of

the poet-king of Sevilla, princess Zaida lost her name, her religion and her family in a single day. Isolated in San Facund, the monastic heart of the Castilian king's vast realm, Isabel's Psalter and folio of Islamic poems kept her spirit alive in a town that considered her "a Moorish whore."

I had the pleasure of an unexpected but most welcome visit from

Rebekah Scott, author of *The Moorish Whore*. Rebekah lives in Morantinos, is very involved with various Camino Associations, and is responsible for the staffing of San Anton. I had previously only spoken with her on Skype and Facebook and it was really a delight to meet face to face.

23/3/2018 · Rebekah helped her mother grab the remaining beach bags and started toward the beach. Scott squinted his eyes up at the horizon. He hated being outside let alone hot and sweaty at the beach. "Here goes nothing" Scott sighed as he sleepily followed his family down to the beach.

3/10/2008 · Afraid Ms Rebekah Scott (Letters, last week), who admits she wasn't born when RFK was shot in LA, has not quite got it right. I have checked with Harry Benson who confirms that Ethel Kennedy was in the kitchen when her husband was shot, and not in Hyannisport, as

Ms Scott suggests. She was a few paces behind her husband.

Rebekah, also goes by Bekah. She is a mother of 2 kids. She always has a sad story about being out of money and needs help. She promises to meet up for dinner and then backs out last second. She is a total scammer and her boyfriend is in on the plan also.
