2/2/2015 · The Unknown Element Vince Milam sets up an intriguing concept combined with quirky characters, including a French priest, to write a highly entertaining supernatural thriller. Starting with the opening scene of mass murder, Milam presents evil as a force walking and working openly to destroy not just men and women, but humanity itself.

He relishes great reads, fine trout streams, family, old friends, and—especially—writing fast-paced thrillers with a dose of humor and a spiritual twist. Vince Milam Books Pretty Little Creatures: An Action-Packed Supernatural Thriller (Challenged World Book 2)
