26/6/2012 · The titan spent more than thirty years dodging investigations until Teddy Roosevelt and his trustbusters embarked on a marathon crusade to bring Standard Oil to bay. While providing abundant new evidence of Rockefeller's misdeeds, Chernow discards the stereotype of the cold-blooded monster to sketch an unforgettably human portrait of a quirky, eccentric original.

Titan by Ron Chernow is the life story of John D. Rockefeller, Sr. The man who became the first American billionaire, and built the Standard Oil trust. The well researched book is fascinating reading and very informative showing how the trust came into being and how fortunes were made during the ...

While Chernow treats Rockefeller's Bible Based World View with fairness and thoroughness in the beginning, and attributes Rockefeller's genuineness and success to Rockefeller's Christian convictions, the envy and contempt of the author bleeds through and stains the rest of the book. The reader is treated to constant haranguing and insults directed toward Christianity generally, and Rockefeller's practition ...
