Verified Purchase. In this influential writing, "Why Men Rebel" by Ted Robert Gurr covers the root causes of political violence, whether it is riots, rebellions, coups, or insurgencies, Gurr develops what is known as the relative deprivation theory. In this theory, essentially an economic argument, political violence is attributed to a discrepancy ...

The revolt had various causes, including the socio-economic and political tensions generated by the Black Death pandemic in the 1340s, the high taxes resulting from the conflict with France during the Hundred Years' War, and instability within the local leadership of London.

Dark Rebel Rider by John Varvatos is just POWDERY LEATHER, and that's all; no smokeyness, no sweetness, no spice or florals. All the notes fragrantica has can't be right, it's not that deep or complex of a fragrance. Shares the same powdery & leather notes as Dark Rebel but that's it. Dark Rebel is way more complex and has much more depth.

In fact, it is that recognition with which she opens her tale, having seen 2 men overtly and casually sexualizing and denigrating her own daughter as they passed her in a store. From there, she begins to explore other traditions, how to think outside the patriarchal 'box' and how to connect with what, for her, constitutes what I suppose you might call 'feminine spirit.'
